

## CHANGES TO SWEENY'S UTILITIES PROCEDURES BEGINNING NOVEMBER 1ST

Beginning November 1, 2015, the City of Sweeny will no longer be lighting water heaters, furnaces or other gas appliances. Due to change in procedures, City of Sweeny employees will no longer come inside your home or business to check for gas leaks or to assist with lighting appliances. We will only check for gas leaks at the meter.

Also, beginning November 1, 2015, if you have been on the broken agreement list you can get off the list if you make 12 consecutive months of on-time payments – which means you pay your bill in full on or before the 15<sup>th</sup> of each month.

If you are unable to pay your utility bill and are subject to being disconnected there is a private organization that is available to assist if you meet their criteria. Please call City Hall for contact information.

Copies of our procedures for disconnection day and agreements are available for your review at City Hall.
