Labor Day Boat Parade
Saturday Sept. 2, 2006

Labor Day is a national legal holiday that is over 100 years old. Over the years, it has evolved from a purely labor union celebration into a general "last fling of summer" festival. This year we want to honor our local Volunteer Fire Departments for their tireless labor and support of our communities.

So, Come Join Us in celebrating Labor Day and Show your support with the:

F.O.R.' S 1st Annual
Labor Day Boat Parade
On the
San Bernard River

And Let's end this Summer with a Bang.

This will be a day time parade and will travel South.
